ESTIMATE JP'S COLLECTED ONE MILLION IN FINES

Jackson, Miss.—The Mississippi Economic Council this week estimated fines and court costs collected through justice of the peace courts totaled \$1,108,000 during the 1955-56 financial year.

The council said a survey by counties showed total fines and forfeitures collected and turned over to county treasuries amounted to \$790,072.44.

AVERAGE FINES

The council said fines and forfeitures ranged from \$5 to \$100 and averaged \$15.

Using the \$15 average, the Council figured JP courts handled some 52,670 cases between July 1, 1955 and June 30, 1956.

"It is generally accepted that the JP court cost in a typical case averages at least \$6," the MEC said, "this figure multiplied by the estimated 52,670 cases, indicates total court costs for 1955 reached at least \$316,000."

C. C. McDonald, Jr., president of the local Chamber of Commerce announced the following chairman of committees to function during the coming year.

Octave Delph will head the group on the Community Bazaar Days which will be held in conjunction with R. E. A. Day starting Dec. 3.

A \$500.00 Color TV Set will be given away by Merchants participating in Community Bazaar Days. Watch for further details.

Henry Osinaich is head of the group to assist business volume locally through Highway Traffic.

Homer Gregory will head a committee to work toward the relief of traffic problems on Main St.

Dr. Walter Russo will head the committee on Industrial Development for the community.

Robert Hamilton and Howard LeTissier have undertaken the job of erection of Chamber of Commerce signs on Highway 90, to advertise the community.

Jos. R. Schaff will function as head of a group working toward public improvements, while McDonald has undertaken the job of getting literature on the assets of the county to be available for Highway businesses to present to the traveling public.

The planned program efficiently carried out should do much to promote growth and interest in the possibilities of Hancock County by arousing interest through improvements and contact with the outside," said McDonald.

A reminder from the president that the membership drive is now on, with dues payable for 1957, and the hope of the Chamber that all merchants and business establishments will join and enlist in the efforts of the Chamber to stimulate the interests of the county thereby creating a better economic status for established concerns as well as striving to bring more business here.

PLANNED FOR VOLUNTEER RED CROSS SEWING GROUP SENDS S. O. S.

An S. O. S. is being issued by members of the Hancock County Volunteer Sewing Group of the American Red Cross.

These women who have worked diligently all through the year have ready 1,000 Xmas bags to be packed with hard candies for veterans of Keeler Field and Gulfport V. A. Hospitals.

They are now faced with the dilemma of finding themselves with insufficient funds to purchase the required amount of candies to complete filling the bags.

About \$20.00 is needed to provide Christmas joy for veterans confined to these two hospitals.

Mrs. Ruth Royalty, publicity representative for the group, feels that if the people of Hancock County are made aware of this shortage they will rally to the cause. Small contributions of 50c or a \$1.00 would soon give enough money to purchase the type of candies needed. It is best type if funds are given the group to make the candy purchase since certain type hard candies are the only type that is practical and also since if bought in quantity could be purchased at a wholesale price.

Any person wishing to contribute to this cause, may contact Mrs. Royalty or any of the following members of the group—Mrs. J. A. Coward, Mrs. Emma Dinkeldin, Mrs. Hoefel, Mrs. Paula Jones, Mrs. Ella Kemery, Mrs. Emily Lacoste, Mrs. Caroline Woodcock, Mrs. Gladys von Medradt, Mrs. A. J. Chapman, Mrs. Lucille Weeks, Mrs. Nellie Nelson, Mrs. R. M. Fries, Mrs. Louis Moreau, or Mrs. H. J. Thompson.

On Halloween, under teacher-sponsor Mrs. Claiborne Lader, children of Webb School, made 30 nut cups and 30 tray favors and Central Elementary, with Miss Spotorno made 50 nut cups and 50 tray favors.

Additional bleachers are needed for basketball and these can later be moved for the use of football. Yearly Worm TV
Against Latest NETA Film
Co-ops Bought \$25

Chicago, TV stations that show the latest anti-co-op movie must grant equal time to present the facts, Jerry Voorhis wrote the manager of each U. S. station November 3.

Voorhis, executive director of the Cooperative League, warned that "The Senator's Daughter" is a scurrilous attack on the business methods and operations of savings and loan associations, credit unions, mutual savings banks, and all types of cooperatives. "The film levels charges against these forms of enterprise, which if leveled against any specific co-op or mutual enterprise, would be slanderous and actionable in a court of law. Mass slander, unfortunately, is not a crime, and in its film NETA has cruelly skirted this danger."

Voorhis said National Tax Equality Association would first ask TV stations to show the movie on sustaining (free) time. Later, he added, NETA may offer to pay for showing the movie.

Groups attacked in the movie "will have the finest possible grounds for requesting equivalent free time to present the facts," whether it's shown on free time or paid time, Voorhis said.

"How much more do I get now?"

Everyone knows it costs more to build nowadays: materials of all kinds are up and so is the pay of construction workers, just like the pay of workers in most all lines.

Southern Bell employees in Mississippi, for instance, have received six wage rate increases since 1949. This, and two other items: an income tax increase and cost increases associated with our additional investment in the State - have added over \$7½ million a year to our cost of furnishing service... and to offset this we are receiving additional revenue of only \$3½ million a year from rate increases.

Adequate earnings are necessary to keep telephone service good and to enable us to improve and expand it in step with Mississippi's growth and progress. We need to spend another \$34 million in the State in 1956-57, which must come from investors who will let us use their money in expectation of a reasonable return.

To raise earnings to a reasonable level, we are asking the Public Service Commission to make a thorough study of our revenue needs and to set rates that will be fair to telephone users and the Company.

Portland, Maine—A Dixie publisher invading the South could solve its racial problems "if the Northern press would leave us alone."

Addressing the Portland Executive Club last night, Clayton Rand of Gulfport, Miss. owner and editor of the Dixie Press, said a recent tour of his state by Northern editors accomplished nothing.

Regular Meeting Of Altar Society And St. Margaret's Daughters

The regular monthly meeting of the Gulf Altar Society and St. Margaret's Daughters was held on Thursday, Nov. 8th at the Parish House with an attendance of twenty-nine members present.

Rev. Mgr. J. McCarthy opened the meeting with prayer and Mrs. Vincent Piazza, president of St. Margaret's Daughters, reported a number of charity cases that had been taken care of during the month, and requested donations of usable clothing and blankets. Mrs. Piazza also stated that two veterans parties would be held shortly, one at the Veterans Adm., and one at the American Legion Home, and plans were made for providing refreshments and entertainment for these projects. As the nominating committee reported the incumbent officers were again being offered for re-election, a unanimous vote replaced for president, Mrs. Piazza, vice-president, Mrs. A. K. Martindale; treasurer, Mrs. Louis Moreau; secretary, Mrs. Milton W. Phillips; and parliamentarian, Mrs. Octave Delph.

Presiding for the Altar Society Mrs. G. F. Stevenson thanked the ladies for their splendid work in decorating the church and outdoor altar for the Feast of Christ the King, when a procession with recital of the Rosary and Solemn Benediction was celebrated on the altar erected on the grounds of St. Stanislaus Day School.

Mrs. Thomas Schafer reported that new red cassocks had been ordered for the altar boys and that material for white surplices for the boys had been cut and distributed for sewing and it was hoped all of these garments would be ready for Dec. 1st, to be displayed at the Dec. meeting.

Mrs. Bernard Farrelly and Miss Kathleen Renshaw, reporting they had shopped for rug materials for the altars, displayed two samples and quoted prices and their recommendations were sanctioned.

The nominating committee presented the following slate of officers who were unanimously elected, namely: Mrs. G. F. Stevenson, President; Mrs. B. Farrelly, 1st V.P.; Miss Kathleen Renshaw, 2nd V.P.; Mrs. E. J. Arce-neaux, Treas.; Mrs. Milton W. Phillips, Sec.

Best 4-H Councils Are Selected By Extension Judges
Sunflower, Pontotoc, Lincoln, Forrest Get United Gas Awards

STATE COLLEGE, Miss.—Mississippi's four outstanding 4-H Club County Councils, as selected by Extension Service judges, will receive cash awards from United Gas, sponsors of the Mississippi 4-H Club Junior Leadership Program.

The award-winning Councils are: Sunflower County Council, in the Northwest Extension District; Pontotoc County, in the Northeast District; Lincoln County, in the Southwest and Forrest County, in the Southeast District.

The Sunflower County Council is a three-time winner, having also captured top awards in 1954 and 1955. The Forrest County Council also took first place in the Southeast District in 1955.

In announcing the 1956 winners, State 4-H Club Leader C. L. Smith said the selections were based on a study of yearbook, secretaries' records and "Stories of Achievement" submitted by the competing County Councils.

In addition to public recognition, Mr. Smith said each of the winning Councils will receive a cash award which their officers may use for any 4-H activity. The awards are made possible by United Gas sponsorship of the statewide 4-H Club Junior Leadership Training Program.

JOANNE BLANCHARD BECOMES BRIDE OF WALLACE BURNS SATURDAY, NOVEMBER 17

One of the beautiful fall weddings took place Saturday morning November 17 at 11 o'clock in Our Lady of the Gulf Catholic Church when Miss Joanne Blanchard became the bride of Mr. Wallace Burns.

Miss Blanchard, daughter of Mr. and Mrs. Joseph Seuzeneau Blanchard of this city, was given in marriage by her father in the double ring ceremony performed by Rev. Francis Xavier Toner, Camden, Miss., friend of the bride's family.

The bridegroom, who attended St. Stanislaus is the son of Mr. and Mrs. Charles Joseph Burns of New Orleans.

White flowers and palms adorned the church for the impressive ceremony in which the six sisters and two brothers of the bride were members of the wedding party.

Entering on the arm of her father, the bride was radiant in a gown of off white antique taffeta created on princess lines with small sleeves and deep appliques of Alencon lace outlined with seed pearls and iridescents on the front and back of the fitted bodice. The skirt and train of the gown were also appliqued with the lace outlined in pearls and iridescents. A fingertip veil of illusion was held to the head with a wreath of lilies of the valley and lovers knots of white satin.

Miss Marianne Blanchard was her sister's Maid of Honor, and bridesmaids included her sisters: Mrs. Donald Faust, New Orleans; Misses Dianne, Julianne, Anne and Patricia Anne Blanchard all of Bay St. Louis.

The bridal attendants were all gowned in identical frocks of mint green antique taffeta on princess lines, waltz length with pleated folds of taffeta forming deep V's in the front and back of the bodices. Forest green satin streamers fell from graceful bows from the back necklines of the dresses, which were worn with satin slippers matching the color of the gowns, with head

dress of flat bows of satin ribbon worn to the back of the head. They carried spray bouquets of polished English Ivy with white glamelias.

Edmond Brignac, Jr., served as best man to the bridegroom and groomsmen included Albert Burns Hattiesburg, brother of the bridegroom, Gene Hymel, Emile Lecer, Gary Hymel, cousins of the bridegroom, Robert Ballina, cousin of the bride, Sidney Reynaud, Claude Kohler all of New Orleans and Harry Chapman of Bay St. Louis.

Two little brothers of the bride Albert and Joseph, Jr. served as altar boys.

Mrs. Blanchard selected for her daughter's wedding a gown of Dior blue embroidered peau de soie fashioned with a side draped effect, worn with a matching colored jacket of sheer wool, and a jeweled hat. A corsage of white cymbidium orchids completed the charming costume.

Mrs. Burns, mother of the bridegroom, chose a navy blue embroidered taffeta with short skirt of white velvet, worn with a navy colored hat and complemented with a shoulder corsage of pink flecked white cymbidium orchids.

A reception followed the church service at the Hotel Reed.

The bride's table was laid with an imported lace cloth centered with a three tiered wedding cake flanked by silver candelabra holding white lighted tapers. A double ruffle of nylon illusion with ivy leaves and miniature white mums interspersed, surrounded the base of the cake. Fresh white and yellow roses were used to adorn the top of the wedding cake.

The young couple left by plane for a honeymoon in Mexico City, Mexico and on their return will occupy an apartment on Broadway St., in New Orleans.
